SOHEL RANA

VISUAL ARTIST | DHAKA, BANGLADESH

ARTIST PROFILE

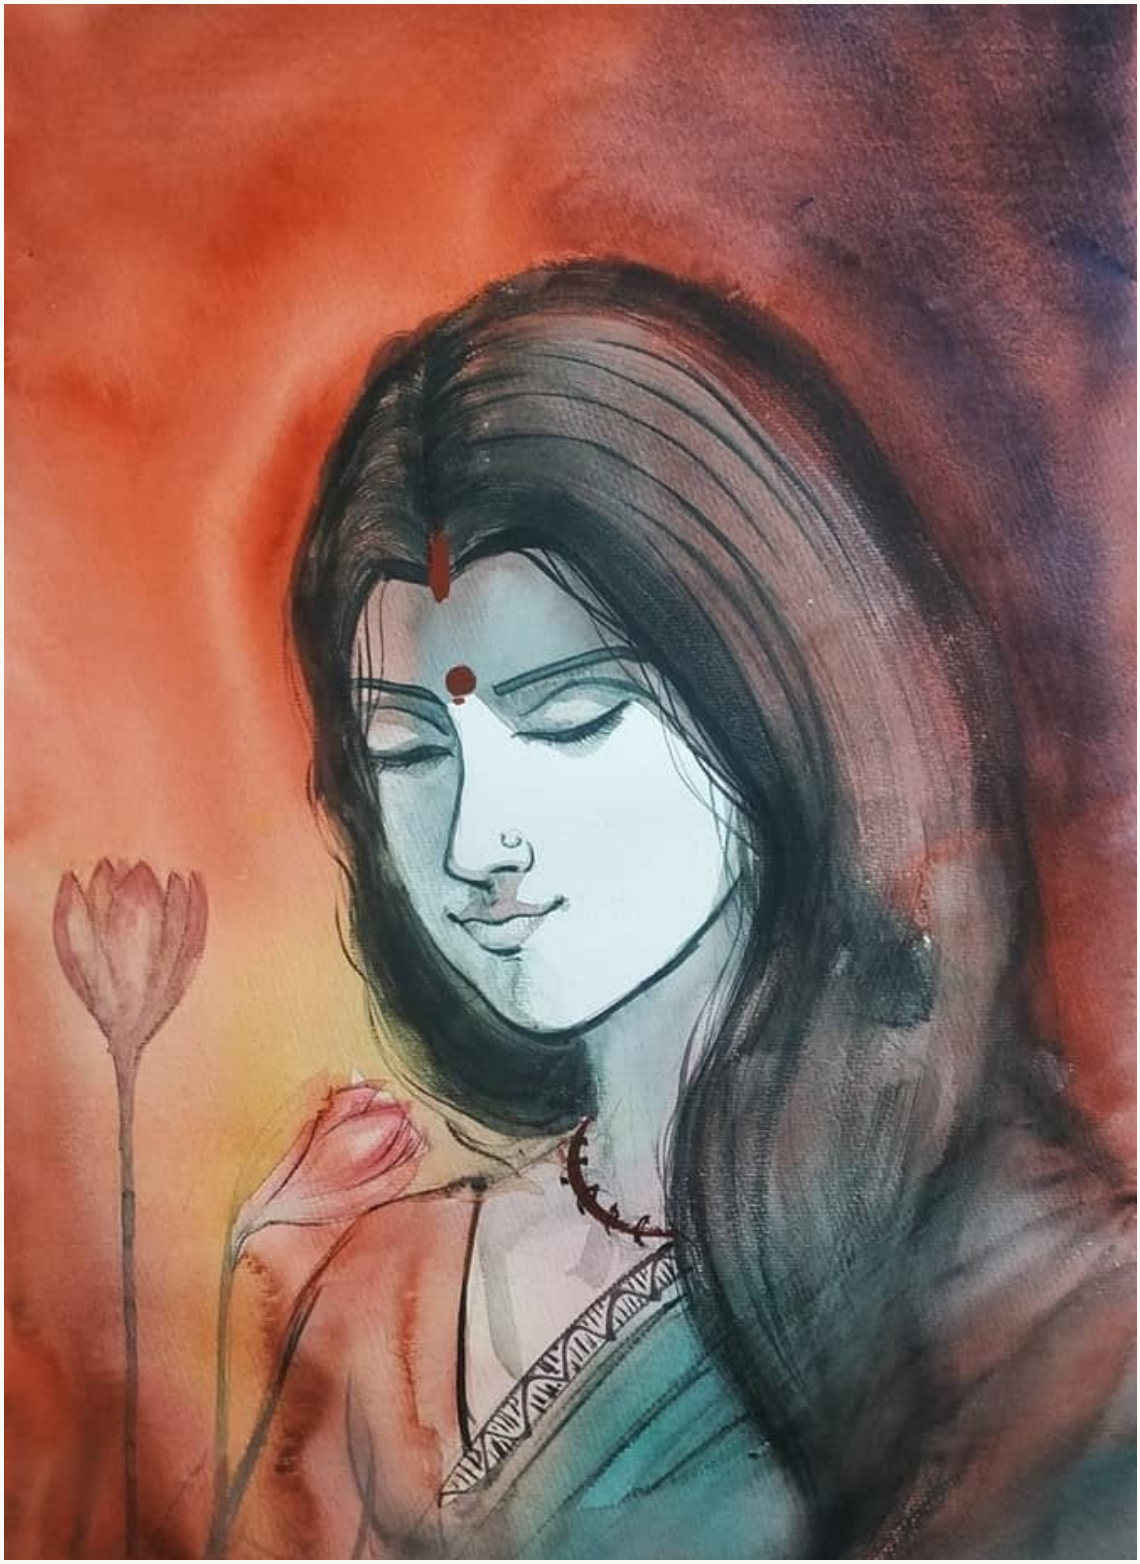

Sohel Rana is a Bangladeshi visual artist working from his studio in Ramna, Dhaka. He has participated in group exhibitions and art camps in Bangladesh and abroad, including events in Malaysia and Nepal. His practice focuses on expressive watercolour painting and intimate moments of everyday life.

ARTIST STATEMENT

My paintings explore quiet, inward moments in the lives of women: a lamp lit at dusk, a contemplative pause, or a glance away from the world. Working with expressive ink lines and fluid, transparent watercolour washes, I allow colour to bloom, bleed and settle on the paper. Through warm vermilion, indigo, green and deep shadow, I seek an atmosphere of memory, emotion and the poetry of domestic life.
